e. The limitations in this Section 11 shall not affect Your statutory rights as a consumer.

12. INFRINGEMENT INDEMNITY

You may learn more about the American Arbitration Association and its rules for arbitration by visiting www.adr.org or by calling 800-778-7879. Since this warranty concerns a transaction in interstate or international commerce, the Federal Arbitration Act will apply. The filing fees to begin and carry out arbitration will be shared between you and Sonos, but in no event will your fees ever exceed the amount allowable by the American Arbitration Association, at which point Sonos will cover all additional administrative fees and expenses.

Sonos waives its right to recover attorneys' fees in connection with any arbitration under this warranty. If you are the prevailing party in an arbitration to which the Supplementary Procedures for Consumer-Related Disputes applies, then you are entitled to recover attorneys' fees as the arbitrator may determine.

Any arbitration under this agreement shall take place in Santa Barbara, California, unless the designated arbitrator determines that such venue would be unreasonably burdensome to any party, in which case the arbitrator shall have the discretion to select another venue.

Judgment on the award rendered by the arbitrator will be binding and final, except for any right of appeal provided by the Federal Arbitration Act and may be entered in any court having jurisdiction. Except as may be required by law, neither you nor Sonos nor an arbitrator may disclose the existence, content, or results of any arbitration under this agreement without the prior written consent of you and Sonos.

Exceptions to Binding Arbitration Agreement

IF YOU DO NOT WISH TO BE BOUND BY THE BINDING ARBITRATION AGREEMENT THEN: (1) you must notify Sonos in writing within sixty (60) days of the date that you purchased a single Sonos Product; (2) your written notification must be mailed to Sonos at 614 Chapala St., Santa Barbara, CA 93101, Attn: Legal Department or emailed to arb-opt-out@sonos.com and (3) your written notification must include (a) your name, (b) your address, (c) the date you purchased the product, and (d) a clear statement that you wish to opt out of the binding arbitration agreement.

In addition, you may pursue a claim in small claims court in your county of residence (if in the United States) or in Santa Barbara, California. In such a case the provisions of the section titled "Binding Arbitration Agreement" will not apply.
